Now that the dust has settled, we've gotten some sleep, and a few days have passed, I wanted to take this opportunity to give a big THANK YOU to all the volunteers who helped make the Florida Horse Park's first FEI 25/50/100-mile Endurance ride, The Greenway Gallivant, a rousing success. We had a terrific turn-out of about 50 competitors from all over the world riding to test their mettle, and perhaps qualify for a chance to go to Malaysia and ride in November at the FEI World Endurance Championship.

Without the assistance of the following dedicated volunteers, our event would not have been possible: Alicia Wishard, Becky Rhoden, Brianna Heppleston, Darlene Weesner, Debbie Buick, Debbie Walker, Denise Secino, Don Hynds, Donna Shoaf, Doug Shearer, Elaine Lemieux, Gloria Gulden, Jill Heppleston, John Sparks, Kathy Highley, Kerri Lavelle, Laurie Whaley Pearson, Marsha MacGregor, Michelle Shearer, Nancy Cloos, Rob and Carol Thompson, Ruth Ann McMahon, Susan Hamra, Thurman Tolbert, Todd Garrett, Wynn Norman, Alicia Wishard, Becky Rhoden, Darlene Weesner, John Sparks, Tamra Schoech, Katherine Capps, Bob Capps, Teri Hunter, Hope Bass, John Sturm, Maria Florkiewicz, Xandra Kroh, Pat Thomas, Sue Frederickson, and Kathy Gaudette.

Special mention goes to Shelley Lambert, Brook Warriner, Jon Barber, and Maynard Saucier of the Florida Horse Park staff. These folks pulled all-nighters along with Cheryl Van Deusen, a competitor in the 25 and 100-mile rides and the event organizer, as well as many of our volunteers to make sure that every glow stick was in place on the trails, water troughs were filled, staff was fed and kept hydrated, and caffeine was on hand for the late hours we all worked.

Two of these people, Doug Shearer and Debbie Walker, deserve special recognition. Each of these dedicated people worked for weeks in advance making sure the trails for the event were clear of debris and clearly marked, and had important roles during the ride. Doug was one of the attending vets, and was also the "go-to" man for any question or problem that arose. Debbie competed in -- and won -- the 25-mile ride, and then took care of her horse, put him up, and then worked tirelessly throughout the event as a scribe for one of the vets during the mandatory exams for the 50 and 100-mile rides. Both Debbie and Doug stayed awake for about 48 hours straight during the event, and even helped round up some loose horses (not related to the event, thankfully) on the Greenway trails afterwards! Because of their tireless dedication to the success of this event, both Doug and Debbie were named FHP Volunteers of the month at our Board of Directors meeting last night. We thank them profusely.

I know there are loads of people related to the ride that deserve thanks as well, but I don't have all of their contact information, so if any of you know of someone who should receive a copy of this email, please be sure to forward it along. And if you have contact info I should add to my database, I would really appreciate it if you would drop me a note. I don't want to leave anyone out in my round of thanks, but at 2 am when you're scribbling down a phone number of someone who might be willing to come help, you don't always get their email address... :-)

Thanks for reading, and thanks for being part of the Florida Horse Park Team. We truly have the world's best volunteers! Lesli Cohen, Volunteer Coordinator & Development Assistant, Florida Horse Park, 11008 S Hwy 475, Ocala, FL 34480, 352-390-7828, www.flhorsepark.com.
