

Fun In The Sun (FITS)

March 6-8, 2009

Williston, Florida

Sanctioned by the American Endurance Ride Conference (AERC), [South Eastern Distance Riders Association \(SEDRA\)](#), Southeastern Endurance Riders Association (SERA), and Fédération Equestre Internationale (FEI)

FITS was born of an idea to create a Festival of Endurance Events. In other words, a competition where riders and horses could participate on a multitude of days having a choice of multiple distances. Where vendors and sponsors could come and showcase their products, and a place where educational lectures and demonstrations could also be available. While our vision is a festival our goal is to create a positive experience you will want to repeat. So with that in mind --- We have a variety of trails for you to ride, great vendors for you to shop at, and educational lectures and demonstrations. You'll find our base camp has plenty of camping space. And most importantly, a staff, both hired and volunteers, all working together, committed to making FITS an exciting and successful experience for all. So come enjoy the Florida sun and share in our fun next year! Thank you to all our volunteers!
