

October 15, 2011 Raptor Run Raptor Run 25/50

Bankhead National Forest, About 95% of the 25-mile trail consists of single track riding. The terrain is gently rolling to moderate hills, little rock and generally good footing. Cruppers and breast collars are not necessary, shoes recommended, but pads are not needed. There is some of gravel road, and less than .4 mile of pavement, that will be the access to the camp and vet checks.
