Ride Release Form (Please read carefully and sign).

As consideration for participating in the Scenic Spruce Creek No Frills Rides, I agree to abide by the rules of the SEDRA, AERC, SERA, and the Ride. I understand that distance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable, and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding. This release is also valid for all of my animals, personal belongings, family members and any guest or family member in my company.

I shall hold the following list of individuals and entities blameless and free from liability, to the fullest extent allowed by law, for any accident, injury or loss that might occur due to my participation in the ride. To be very clear, I shall not pursue any legal action or other form of action against the following: the ride management, Central Florida Horse Shows, Volusia County, all ride personnel, all veterinarians and related treatments, the State of Florida, the landowners of the base camp, and all property owners over whose land the ride crosses. I have read and understand this liability release. I understand that this Release applies for the entire ride; from arrival at Spruce Creek Preserve, during the ride and until removal of all animals and personal property from the ride site.

I HAVE READ, UNDERSTAND AND ACCEPT THIS RELEASE.
