

## Randi Lavikoff Scholarship Application

In 2009, SEDRA received a bequest in memory of one our members, Randi Lavikoff. The SEDRA Board of Directors, in agreement with Randi's sons, has set aside this money to be used as scholarship funds to help members attend distance and trail related educational clinics. The scholarship is \$250 towards application/entry fees. Two clinics have been approved so far:

[The National Equestrian Trails Conference](#), NETC (formerly SETC, Southeast Equestrian Trails Conference) strives for equestrian self-evaluation, learning, and the development of a conservation force that will influence land-use policies at local, state, regional, and national levels. It will offer a forum for meaningful communication between natural resource management agencies and trail equestrians. While the NETC focuses on the issues surrounding the use of horses on trails, the Conference is open to anyone interested in natural resource conservation. People from outside of the Southeast are encouraged to attend to share their experiences and learn more about the southeastern trail issues.

[AERC Sponsored Trail Master Course](#) Description: Day 1: Trail design and layout. Day 2: Trail construction. Day 3: Trail maintenance. Day 4: Crew Leader and Graduation. At the end, certificates for those that completed the course will be issued, by Mike Riter of Trail Design Specialists. For information regarding Trail Master Courses, contact coordinator Alex Uspenski, [auspenski@usendoscopy.com](mailto:auspenski@usendoscopy.com), phone: 440-413-6667

**Other Educational Clinics may be approved by a vote of the Board at a regularly scheduled meeting.**

Requirements: Applicants must have been a SEDRA member for at least one year to apply. Applications must be received at least 6 weeks in advance, and recipients will be notified at least 4 weeks before the scheduled clinic. SEDRA will approve no more than 2 scholarships per ride calendar year until the end of the bequest.
