LEGAL RELEASE TO BE SIGNED BY ALL ENTERING THE RIDE CAMP & TRAILS, DO NOT SIGN UNTIL YOU READ:

As a participant, crew, volunteer, ride personnel, or guest in the Yellowhammer Endurance Ride (May 14-15 2021) I agree to abide by the rules of the sanctioning organizations AERC, SERA, SEDRA & the Yellowhammer Ride Management. I hereby knowingly execute this waiver of the right to sue & do hereby agree to assume all risks associated with participation in the ride, permitted by the United States Forest Service, Talladega National Forest, Shoal Creek Ranger District, or in riding on the premises. I agree that my participation in the ride involves certain inherent risks, which include but are not limited to the following: (1) horseback riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas can have many natural and man-made hazards which ride management cannot anticipate, identify, modify, or eliminate, these hazardous surface/subsurface conditions including such things as rocks, rocks, puddles, streams, fences, jumps and/or other hard objects and/or holes, divots, ledges which could cause an equine to trip and/or fall and/or could strike a participant who falls from or is thrown from an equine; (2) that horses can behave in unpredictable ways which can result in accidents to anyone at any time, resulting in injury, severe injury, or death; (3) that an equine's reactions to sound, movements, objects, vehicles, persons, animals, scents or insects cannot be predicted. I agree to take full responsibility for myself/my child, & the animal I/my child is riding. I will hold harmless these AERC, SERA, SEDRA, its officers & all individual members thereof, the United States Forest Service, its employees, all ride personnel, including volunteers and veterinarians, and all property owners over whose land the ride crosses, their representatives, successors and assigns, for any accident, injury or loss that might occur due to my participation in this ride, & free from all liability for such injury or loss, including that due to negligence not caused by wanton or willful misconduct of the US Forest Service or Ride Management & personnel. This release extends to all claims of every kind & nature whatsoever, whether known or unknown, & I expressly waive any benefits that I may otherwise have under provisions of law of the State of Alabama relating to the release of known claims. I understand that this release constitutes a limitation on my legal rights.

Under Alabama Law, an equine activity sponsor or equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risk of equine activities, pursuant to the Equine Activities Liability Protection Act.

I hereby certify that my horse is not under the influence of medication & will not be treated with or given any medications prohibited by AERC rules. I also hereby give permission to AERC or its duly appointed agent to take any appropriate action deemed necessary to check for possible administration of drugs to my horse.
