

SKYMONT

ENDURANCE RIDE

October 2 & 3, 2020

The ride will be held at the Skymont Scout Reservation near Altamont, TN, which is approximately 20 miles north of Monteagle, TN. The ride is sanctioned by AERC, SERA, and SEDRA. The ride will be governed by the rules of AERC/SERA.

The ride is Friday, Oct 2 and Saturday, Oct 3, 2020 and will offer distances of 25 and 50 miles each day. All riders will be required to wear a helmet at all times while on a horse.

The camping area is located in a beautiful wooded area next to a small lake. Camping is primitive (no hookups) but water is available for horses and people. You may high line, picket, or pen your horses but please do not tie them directly to a tree!

The camp is located on the top of the Cumberland Plateau and the entire trail system stays on the top. The trail is primarily woods trail and some firebreak roads. Footing is excellent with some rocky areas. There are sections of the trail on the Skymont Perimeter Trail and will offer some spectacular views of the plateau and valley, and maybe some color change!

Your veterinary crew will be; Head Vet Larry Olsen, Treatment Vet Dee Dee Huff, and Control Vet Kristie Hall. The trails manager and co-manager of the ride is

Wendy Rosenbek. Timers will be Nancy Gooch and Samm Bartee and Laurie Underwood. Farrier will be Chris Glover. Photographer will be Linda Touns.

Pre-ride registration will begin at 1pm Thursday, October 1, 2020 and vet-in will begin at 3pm and stop at 6:00pm. Ride meeting will be held in the Skymont Dining Hall at approximately 7pm on Thursday. Awards ceremony will be after dinner on Friday and Saturday also in the dining hall. On Friday ride meeting will take place before the awards. Completion awards will be given to all competitors. First Place, Top Ten, 1st Junior, High Vet Score and Best Condition will be awarded for each ride.

Meals will be available Friday night, Saturday night and Sunday morning. The meals will be prepared for us by the High Adventure Scout Crew who has fed us so well the last few years! The Friday and Saturday meals are included in the entry fee for the riders but you may purchase tickets for your crew and family. Please let us know the number of extra tickets you will need so that we can be prepared to serve you. Gas, diesel, propane, groceries and ice are available in Altamont.

The entry fee is \$100. Entry fee for juniors is \$70. Non AERC members will pay a \$15 day fee in addition to the entry fee. A \$25 non-refundable deposit is required with pre-registration. On site entries and entries post marked after Sep. 26, 2020 will pay a \$25 late fee. The late fee is assessed per rider not per horse or days, but please get your entries in early to avoid paying the late fee.

General housekeeping: Dogs on a leash at all times. No alcoholic beverages (this is a Scout camp after all!!) Generators off from 10pm until 5 am. Please take your trash with you as we do not have trash service there. Please put your manure and old hay at the designated collecting sites.

Skymont Endurance Ride

October 2 & 3, 2020

The ride will be held on the beautiful trails at Skymont Scout Camp in Altamont, TN. This is a good opportunity for you to see what an endurance ride is like!! The trail will be right at 10 miles long, and will start at 2 pm on Fri and 10 am on Saturday. Your horse will need to be vetted in before the ride. Ideally, Thursday afternoon for the Friday ride, and Friday afternoon for the Saturday ride. Registration can be done pre-ride or at the ride starting at 1 pm on Thursday, October 5. Your registration entitles you to the pre-ride riders meeting, a pre-ride vet exam, the ride, a post ride vet exam, a dinner and completion award at the evening meeting after the ride. Please try to pre-register as our meals are prepared on site by a BSA adventure crew and they need to plan for numbers of meals. If you are planning to camp know that all camping is primitive. This is a scout camp and not a horse camp so you will need to secure your horses at your camp as there is no stalls, paddocks or barns.

If you have any questions email tne1020668@aol.com or call 256-431-6538.
