As a participant in the AERC Clinic and Intro Ride, I agree to abide by the Rules of the Ride. I understand that this sport involves being in remote areas for extended periods of time, far from communications, transportation and medical facilities. I understand that these areas have many natural and man-made hazards that Management cannot anticipate, identify, modify or eliminate. I understand that horses are excitable, difficult to control, unpredictable and dangerous. I will accept responsibility for myself and the animal I am riding. I will hold the Ride Management, Doug and Michelle Shearer and all associated with the AERC Clinic and Intro Ride blameless and free of liability for injury or loss that might occur due to my participation in this ride. This release is also valid for my animals, personal belongings, family members and any guest in my company. I understand that this release applies for the entire ride, from arrival at Sea Brook Farm, during the ride and until removal of all animals and personal property from the ride site.
