

RIDE STEWARD REPORT

A SEDRA ride Steward is required for all SEDRA sanctioned Competitive Trail Rides and/or Drives. The SEDRA Steward functions as the enforcer of the rules and guidelines as outlined in our rule book. The latest edition of the rule book is available on our web page: www.distanceriding.org

The Steward is responsible for discussing rule interpretations and clarifications of the rules with all parties.

The Steward is required to file a report to the Sanctioning Secretary after each ride. The report may be given verbally or written.

The report is to cover the following areas: 1. Scoring 2. Ride Organization and Personnel 3. Trail Quality 4. Ride Facilities 5. Meals and Beverages 6. Complaints of Rule Violations

The following two areas are Ride Management Responsibilities. The SEDRA Steward is obligated to report to the SEDRA BOD if they were accomplished. The Steward will advise Ride Management that these areas are of interest to the BOD for the safety and welfare of our members and their horses.

(Circle appropriate responses and sign)

YES/NO Ride Management was in compliance with EIA or Coggins reporting requirements.

YES/NO Ride Management had a veterinarian on call and/or available and announced at meeting and contact information available and/or posted.

This form must be signed and given to any member of the SEDRA BOD or can be emailed to sedra.treasurer@gmail.com within 10 days of the ride to retain in the permanent records.
