As consideration for participating in the Greenway Gallivant Turkey Trot Endurance Rides, I agree to abide by the rules of the Ride along with AERC, SEDRA, or SERA rules. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable, and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding.

I shall hold the following list of individuals and entities blameless and free from liability to the fullest extent allowed by law, for any accident, injury or loss that might occur due to my participation in the ride. To be very clear, I shall not pursue a legal action or other form of action against the following: the ride management, Central Florida Horse Shows, all ride personnel, all veterinarians and related treatments, the State of Florida, the landowners of the base camp, and all property owners and land management organizations over whose land the ride crosses. I have read and understand this liability release.

Under Florida law, an equine activity sponsor or equine professional is not liable for an injury to or the death of, a participant in equine activities resulting from the inherent risks of equine activities.
