

SEDRA CERTIFIED CRI AND SCORERS (09/21/2026)

SEDRA requires that people who perform these tasks must be certified by BOD approval based on past experience OR by completing a SEDRA approved workshop or training session. All those listed in each task are BOD approved. Those listed with an (*) after their name have agreed to train and certify other personnel. The training they provide constitutes the SEDRA approved workshop/training criteria. Their certification is sufficient to have people added to this list and need only notify the Web Wrangler.
